Registration 1: CI305407
Sale Price: \$3,500.00
Breeder: Scott Edwards
Owner: Circle of Seven Longhorns

Courtesy of Circle of Seven Longhorns

Mist is a big bodied brindled red lined-back cow who has produced large colorful heifers for us that we are keeping as replacements. She comes from Safari B breeding. We love the shape of her handlebar horns and her overall look. She also has a great udder. Mist is our alpha cow and is regal and yet approachable. We feel like Mist encompasses what a true longhorn should look and act like.
